### ***ABOUT WATERKEEPERS CHESAPEAKE***

**WATERKEEPERS®** Chesapeake is a coalition of nineteen independent programs working to make the waters of the Chesapeake and Coastal Bays swimmable and fishable. Waterkeepers Chesapeake amplifies the voices of each Waterkeeper and mobilizes these organizations to fight pollution and champion clean water. The members of Waterkeepers Chesapeake work locally, using grassroots action and advocacy to protect their communities and their waters. They work regionally to share resources and leverage individual organization strengths to expand each Waterkeeper's capacity for on the water, citizen-based enforcement of environmental laws in the Chesapeake region.

### ***IN DEFENSE OF WATER***

We invite you to join us as a sponsor of our 2nd annual *In Defense of Water* fundraiser. This will be an evening to celebrate our clean water successes and raise funds for and awareness of our work making our waters drinkable, swimmable and fishable. Sponsors and guests will have the opportunity to meet Waterkeepers in the Chesapeake area watershed and bid on exciting silent auction items while enjoying fresh, local food from La Prima Catering with music provided by local musicians Wendy and Steve. This year, we are excited to have as our honorable guest, Nick DiPasquale, former Director of the Chesapeake Bay Program. Mr. DiPasquale dedicated six and half years to restoring the Chesapeake Bay and its tributaries. As a sponsor of *In Defense of Water*, you will be investing in the only organization that harnesses the grassroots power and legal and scientific expertise of our Waterkeepers to address regional threats to clean water.
